*Ancient and Epic Tales* Nov 19 2021 Heather Forest's artful prose and keen curatorial selection brings an array of ancient tales of adventure, quest and heroics to life for modern readers. This multicultural anthology presents pivotal episodes from epic tales such as Gilgamesh, Beowulf, the Odyssey, the Ramayana, and more. The collection illuminates large-scale narratives that were passed on and preserved through the oral tradition long before being captured in written form by early scribes.

With the publication of *Epic and Ancient Tales*, Heather completes her long-awaited trilogy of *Tales From Around the World* including *Wonder Tales* and *Wisdom Tales*. These epic narratives remain relevant today as they provide insights into the complexity of human relationships and the intimate, personal journey of anyone seeking to understand the meaning of life. This collection of timeless stories includes Norse legends, Greek myths, Japanese folktales, Persian stories, Irish Ballads and Chinese lore. Offering a global overview, this anthology of

concise retellings also provides endnotes with cultural and historical background to inspire readers further inquiry into these enduring tales." *Terrible Tales of Ancient Greece* Jul 16 2021 Before there was Jupiter, there was Zeus. And before there was Venus, there was Aphrodite. The ancient Romans took many of their gods and their legends from Greece. And no wonder, these awesome tales are full of danger, magic, and heroic feats. Readers will love learning how these fantastical stories and characters even have a place in modern times,

for example, the Perseus and Andromeda constellations. Jason and the Argonauts, Theseus and the Minotaur, and the Trojan Horse are just some of the thrilling, and even amusing, tales found in this illustrated book.

**Tombs** May 02 2020 Published to accompany a live-action TV series, this book vividly brings to life the stories of five people who lived in Egypt over 2,000 years ago, as recorded on original papyrus documents or etched in stone. The individuals whose lives are so vividly recounted include the royal sculptor Thutmose, who is remembered as the creator of one of the best-known pieces of ancient Egyptian art—the plaster bust of Nefertiti. Then there is Inamun, the temple official who set out on a heroic adventure down the Nile in search of materials to build a sacred barge to the god Amun. Other tales include that of the young weaver Nakhte, who had a short and tragic life; Weni the pyramid builder, who ended up buried in the very pyramid he helped to build; and Pharaoh Nectanebo II, last of the Egyptian pharaohs, who sought to protect his realm through magical ritual.

**The Tale of Troy** Nov 27 2019

Retells the legends of ancient Greece including the theft of the Luck of Troy, the adventure of Menelaus, and the wanderings of Odysseus.

**Voices from the Other World**

Jul 24 2019 Nobel laureate Naguib Mahfouz reaches back millennia to his homeland's majestic past in this enchanting collection of early tales that brings the world of ancient Egypt face to face with our own times. From the Predynastic Period, where a cabal of entrenched rulers banish virtue in jealous defense of their status, to the Fifth Dynasty, where a Pharaoh returns from an extended leave to find that only his dog has remained loyal, to the twentieth century, where a mummy from the Eighteenth Dynasty awakens in fury to reproach a modern Egyptian nobleman for his arrogance, these five stories conduct timeless truths over the course of thousands of years. Summoning the power and mystery of a legendary civilization, they exemplify the artistry that has made Mahfouz among the most revered writers in world literature.

of lively or passionate adventures. The sources of the individual stories are clearly indicated; the whole treatment is scholarly without being arid."—The Times Literary Supplement "Fourteen tales from India, newly translated with a terse and vibrant effectiveness. These tales will appeal to any reader who enjoys action, suspense, characterization, and suspension of disbelief in the supernatural."—The Personalist

### **Tales of Ancient Wisdom**

May 14 2021 A collection of spiritual zen/taoist stories woven together into a narrative following Zin, a sage-like character who embodies the essence of the ancient masters of old. Some of the stories are retellings of tales from long ago while others are the author's original creations reflecting his many years of study in the Eastern martial and healing arts.

### **Ancient Fairy and Folk Tales**

Jan 22 2022 This anthology explores the multitude of evidence for recognisable fairy tales drawn from sources in the much older cultures of the ancient world, appearing much earlier than the 17th century where awareness of most fairy tales tends to begin. It presents versions of Cinderella, The Emperor's New Clothes, Snow White, The Frog Prince and a host of others where the similarities to familiar 'modern' versions far outweigh the differences. Here we find Cinderella as a courtesan, Snow White coming to a tragic end or an innocent heroine murdering her sisters. We find an emperor's new clothes

where the flatterers compare him to Alexander the Great, or a pair of adulterers caught in a magic trap. Tantalising fragments suggest that there is more to be discovered: we can point to a Sleeping Beauty where the girl takes on the green colouring of the surrounding wood, or we encounter a Rumpelstiltskin connected to a mystery cult. The overall picture suggests a much richer texture of popular tale as a fascinating new legacy of antiquity. This volume breaks down the traditional barriers between Classical Mythology and the fairy tale, and will be an invaluable resource for anyone working on the history of fairy tales and folklore.

He examines texts from the classical period and finds many stories which resemble those we know today, including: \* a Jewish Egyptian Cinderella \* a Snow White whose enemy is the goddess Artemis \* a Pied Piper at Troy. He puts forward many previously unsuspected candidates as classical variants of the modern fairytale and

**Stories from Ancient Canaan, Second Edition** Dec 09 2020 The texts from ancient Ugarit are among the most important modern discoveries for understanding the Bible.

For more than thirty years, *Stories from Ancient Canaan* has been recognized as a highly authoritative and readable presentation of the principal Canaanite myths and epics discovered at Ugarit. This fully revised edition takes into account advances in the reading, understanding, and interpretation of these stories since 1978. It also includes two additional texts, expanded introductions, and illustrations. Coogan and Smith have collaborated to bring this classic up to date in order to provide accessible and accurate translations of these texts for a new generation of students.

**Tales from Ancient Greece** Aug 29 2022 This book captures the heroic adventures of gods and semimortals as they waged superhuman battles at a time when the great Greek ruins were whole and new. Full color.

**Memories of Odysseus** Feb 29 2020 The conception of the Other has long been a problem for philosophers. Emmanuel Levinas, best known for his attention to precisely that issue, argued that the voyages of Ulysses represent the very nature of Western philosophy: "His adventure in the world is nothing but a return to his native land, a complacency with the Same, a misrecognition of the Other." In *Memories of Odysseus*, François Hartog examines the truth of Levinas' assertion and, in the process, uncovers a different picture. Drawing on a remarkable range of authors and texts, ancient and modern, Hartog looks at accounts of

actual travelers, as well as the way travel is used as a trope throughout ancient Greek literature, and finds that, instead of misrecognition, the Other is viewed with doubt and awe in the Homeric tradition. In fact, he argues, the *Odyssey* played a crucial role in shaping this attitude in the Greek mind, serving as inspiration for voyages in which new encounters caused the Greeks to revise their concepts of self and other. Ambitious in scope, this book is a sophisticated exploration of ancient Greece and its sense of identity.

**The Greatest Tales of Ancient World** Jun 14 2021 "Cleopatra" - The story is set in the Ptolemaic era of Ancient Egyptian history and revolves around the survival of a dynasty bloodline protected by the Priesthood of Isis. The main character Harmachis (the living descendant of the pharaoh's bloodline) is charged by the Priesthood to overthrow the supposed impostor Cleopatra, drive out the Greeks and Romans and restore Egypt to its golden era. "Moon of Israel" narrates the events of the Biblical Exodus from Egypt told from the perspective of a scribe named Ana. "Eric Brighteyes", an epic viking novel, describes the adventures of its principal character in 10th century Iceland. Eric strives to win the hand of his beloved, Gudruda the Fair. Her father Asmund, a priest of the old Norse gods, opposes the match. Battles, intrigues, and treachery follow... **Ancient Egypt** Jul 28 2022 Retells nine tales of ancient Egypt, including the story of Ra rising from the waters of the Nile to create the gods of the

earth, sky, and rain. *Original Wisdom* Jan 28 2020 • Explores the lifestyle of indigenous peoples of the world who exist in complete harmony with the natural world and with each other. • Reveals a model of a society built on trust, patience, and joy rather than anxiety, hurry, and acquisition. • Shows how we can reconnect with the ancient intuitive awareness of the world's original people. Deep in the mountainous jungle of Malaysia the aboriginal Sng'oi exist on the edge of extinction, though their way of living may ultimately be the kind of existence that will allow us all to survive. The Sng'oi--pre-industrial, pre-agricultural, semi-nomadic--live without cars or cell phones, without clocks or schedules in a lush green place where worry and hurry, competition and suspicion are not known. Yet these indigenous people--as do many other aboriginal groups--possess an acute and uncanny sense of the energies, emotions, and intentions of their place and the living beings who populate it, and trustingly follow this intuition, using it to make decisions about their actions each day. Psychologist Robert Wolff lived with the Sng'oi, learned their language, shared their food, slept in their huts, and came to love and admire these people who respect silence, trust time to reveal and heal, and live entirely in the present with a sense of joy. Even more, he came to recognize the depth of our alienation from these basic qualities of life. Much more than a document of a
